

March 17, 2010

After long and careful review, we are announcing that Miles Reid and Aerin Alexander will no longer be serving as instructors of Tensegrity or Magical Passes, or as representatives of Cleargreen.

On these two individuals has fallen the joy and honor of serving as part of a team of instructors sharing the art of Tensegrity around the world. At this juncture in time, we part ways, as we find that we do not share enough common ground to work together productively with them.

As they part to pursue other endeavors, we express our appreciation for their years of service and wish them the very best.

Sincerely,

Cleargreen
